SUMMARY

Passionate Frontend Developer with a knack for creating intuitive and high-performing web applications.

Dynamic and motivated B.Tech graduate with a passion for software development and a strong foundation in HTML, CSS, JavaScript, and Java.

Completed intensive training at Geekster Coding Bootcamp, excelling in Data Structures and Algorithms. Demonstrated proficiency in crafting responsive user interfaces, leveraging frameworks like Bootstrap and Tailwind CSS.

Skilled in version control with Git and experienced in collaborating on projects using VS Code. Committed to continuous learning, currently expanding expertise in React for building dynamic web applications.

Adept at problem-solving, evident through achievements such as securing a top rank in coding challenges and receiving accolades on HackerRank. Engaged in extracurricular activities, including event coordination and environmental initiatives.

PROJECTS

Movie App Project

Geekster 10/2023 - Present Work from Home
Tech Stack: JavaScript, HTML, CSS, Git version control, Bootstrap.
