Geekster | Geekster Coding Bootcamp

- Solved 200+ DSA/Coding questions on geekster platform
- Participated in various Coding contests organised by the platform.
- Worked on various projects like ATM Mangment Project ,**VARIOUS CLONE**.
- Technical Stack Learned : **HTML, CSS, JavaScript, Bootstrap, TelwindCss ,React, MySql** and **Java**

Projects

GitHub Finder Project [[Github1 Link](#)] [[Deployment Link](#)]

- Web application for retrieving user information from the GitHub API.
- I have created this project to understand more about how java-script works as well as to study and practice the concepts of fetch Api and Dom manipulation.
- Make a responsive design compatible with all devices.
- Tech Stack: JavaScript,Html,Css, Git version control

Responsive-UI of BankWebsite [[Deployment Link](#)] [[Github Link](#)]

- Its's very user friendly ui to see and attract users and is fully responsive on any devices Ui make in 4-5hrs .
- The project is make by using a css Library Telwind css with all most all command in it, with different animation and effects.Its consent of 5 section with header, about, user review and help section. Its code is also so informative to read and can be understandable . And in this we make Dry code we not reapt any class repeatedly.
- Tech Stack: **Html, Css, TelwindCss**.

Responsive-UI of TravelWebsite[[Deployment Link](#)] [[Github Link](#)]

- Its's very user friendly ui to see and attract users and is fully responsive on any device .
- The project is make by using a css and Html with all most all command in it, with different animation and effects.Its consent of 5 section with header, about, user review and help section. Its code is also so informative to read and can be understandable . And in this we make Dry code we not reapt any class repeatedly.
- Tech Stack: **Html, Css**.

Responsive-UI of FurnitureWebsite[[Deployment Link](#)] [[Github Link](#)]

- Its's very user friendly ui to see and attract users and is fully responsive on any device .
- The project is make by using a css and Html with all most all command in it, with different animation and effects.Its consent of 5 section with header, about, user review and help section. Its code is also so informative to read and can be understandable . And in this we make Dry code we not reapt any class repeatedly.
- Tech Stack: **Html, Css**.

Skills

- **Computer Language** : Html,Css,Java-Script, Java, and SQL
- **Frameworks / Libraries** : TelwindCss ,Basic React
- **Additional Courses** : Data Structure and Algorithms, System Design, OOPs
- **Tools & Technologies** : GIT, VS code

Education

Year	Degree/Examination	Institution/ Board	CGPA/Percentage
2022	B. Tech	C.A.E.T,Jalgaon Jamod	8.20
2017	12th	State Board Maharashtra	66.80%
2014	10th	State Board Maharashtra	61.20%

Achievements and Co-Curricular Activities

- Secured 139 rank in Geekster's coding challenge June 2021
- Top performers among Received 3 stars on Hacker-Rank in the problem-solving assessment.
- Event Coordinator at. It was a tech event organised by the Institute of Agriculture & Technology for Advanced Studies & Research College.
- I am currently immersed in the study of the React framework, actively enhancing my proficiency in this powerful JavaScript library. Through dedicated learning and practical application, I am gaining expertise in building dynamic and interactive user interfaces.

Professional Experiences

- Fresher

Achievements and Co-Curricular Activities

- For awards/achievement
 - [Hackerrank track](#) - Solve questions, get stars mention it in resume
 - Participate in virtual hackathons
- We organise the marathon competition in college for our junior.
- Me and my Planting tree organisation team has planted a tree every year.
- Actively participated in college cultural events.
